

Your professional IT training courses in Chiang Mai, Thailand

Our Trainers are all professional Microsoft Certified IT Trainers (MCT) from USA, Canada, Australia and Europe to meet the quality you expect and deserve. All our training courses follow Microsoft's Official Curriculum (MOC) with Trainers added notes.

Each Trainee will get his own computer for use in the class room, and in his Hotel room if he so wish for studying and Internet & E-mail connection. All our training sessions take place in a First Class [Luxury Hotel and Conference Center](#) right in the middle of the Rose of the North, Chiang Mai, the capital of Northern Thailand, the old Lanna kingdom. This is the ideal relaxed place to exchange experience and discuss IT problems with the trainers and other trainees.

PROFESSIONAL MICROSOFT BACK-OFFICE SERVER AND DEVELOPMENT SOLUTION TRAINING

Our mission is to provide IT Professionals and IT Departments from around the world with professional IT training for the Microsoft Windows Server software platforms in a professional, yet relaxed and exotic atmosphere.

Our goal is to provide our trainees with the information they need to keep current with Microsoft Windows 2003, SQL server 2005, Exchange 2003 server and .NET Server technologies and thereby enable them to do a more effective job in managing the Windows network for their enterprise.

We offer IT training for knowledge buildup or preparation for the MCPD, MCITP, MCTS, MCSE, MCSA, MCP and MCDBA Microsoft Certifications for the Microsoft Windows server platforms. Our normal courses are in English, but we also provide special training courses in other languages depending on demand.
